

Payer changes

The following changes are effective *April 4*. New payers listed will be added automatically to your Per-Se payer database. **Be sure to match the spelling of each payer with those produced in your billing system.** If you scan on the payer number instead of the payer name, those numbers are also included.

Good Friday holiday

Our offices will be open on Friday, April 13th. You can transmit claims and pick up messages whenever it's convenient to you throughout the weekend. Transmission of claims to the payers, posting of new messages to your electronic mail box, and client support will be operating during normal business hours.
